

Box Model & Spacing Examples

Content-box vs Border-box

Margin Example

Centered with auto margin

Padding Example

Extra space inside due
to padding

Border Example

Borders with different styles and colors

Spacing System

XS margin

SM margin

MD margin

LG margin

XL margin

Negative Margin

Shifted with negative
margin

Margin Collapse Fix

Inside a wrapper with padding (prevents collapse)

Overflow Demo

Lorem ipsum dolor sit amet,
consectetur adipiscing elit. This
text is longer than the box height
so you'll see scrollbars.

Responsive Box (Min/Max)

Resize the window → this box has min/max width & height constraints.
